

Bishop Wood

Species	Common Name	Associated organism/Substrate	Notes
<i>Amanita muscaria</i>	Fly Agaric	Pinus/Betula, soil	
<i>Amanita rubescens</i>	Blusher	Pinus, soil	
<i>Asterostroma medium</i>	Fawn Starweb	Betula, rotten, decort log	
<i>Auricularia auricula-judae</i>	Jelly Ear	Acer pseudoplatanus, decort fallen branch	
<i>Basidioidendron eyrei</i>		Populus, decort, decayed fallen branch	
<i>Botryobasidium aureum</i>		Fraxinus, rotten fallen branch	
<i>Botryobasidium isabellinum</i>		indet.decid. rotten fallen wood	
<i>Botryobasidium subcoronatum</i>		Pinus, decort, decayed log	
<i>Ceraceomyces eludens</i>		Quercus, rotten, decort fallen branch	
<i>Ceratobasidium pseudocornigerum</i>		Lonicera, bark, base of live stem	Herb: ARS
<i>Chlorociboria aeruginascens</i>	Green Elfcup	Fraxinus, rotten fallen branch	
<i>Coniophora puteana</i>	Wet Rot	Pinus, bark, decayed stump	
<i>Crepidotus cinnabarinus</i>	Cinnabar Oysterling	indet.decid. decayed, decort log	
<i>Crepidotus mollis</i>	Peeling Oysterling	indet.decid. decayed, decort log	
<i>Deconica horizontalis</i>	Wood Oysterling	indet.decid. decayed fallen wood	
<i>Galzinia incrustans</i>		indet.decid. decayed decort log	Herb: ARS
<i>Gloeocystidiellum clavuligerum</i>		Populus, decort, decayed fallen branch	
<i>Gloiothele lactescens</i>		Fraxinus, decayed fallen branch	
<i>Helicogloea</i> sp.		Indet.decid. rotten, decort log	Herb: ARS
<i>Helicogloea</i> cf. <i>sebacea</i>		Populus, bark, decayed fallen branch	Herb: ARS
<i>Hyaloscypha aureliella</i>		Pinus, decort, decayed log	
<i>Hyphoderma argillaceum</i>		indet.decid. rotten, decort log	

Hyphoderma crustulinum		indet.decid. rotten log fragment	Herb: ARS
Hyphodontia alutaria		Pinus, decort, decayed log	
Infundibulicybe geotropa	Trooping Funnel	litter, soil	
Lophodermium seditiosum		Pinus, leaf, still attached to dead fallen branch	
Marasmiellus ramealis	Twig Parachute	Rubus fruticosus, dead stem	
Merismodes anomalus		Populus, bark, dead fallen branch	
Mollisia cinerea agg.		Populus, decort, decayed fallen branch	
Myxarium minutissimum		indet.decid. rotten log fragment	Herb: ARS
Myxarium nucleatum	Crystal Brain	indet.decid. decort fallen wood	
Myxarium podlachicum		Betula, decort, decayed fallen trunk	
Oidiodendron tenuissimum		indet.decid. rotten, decort fallen wood	
Oxyporus populinus	Poplar Bracket	Fraxinus, dead fallen trunk	
Paullicorticium delicatissimum		Pinus, rotten, decort log	
Peniophorella praetermissa		indet.decid. rotten, decort log	
Phlebia radiata	Wrinkled Crust	Quercus, dead fallen branch	
Phlebia rufa		Fraxinus, decort, decayed, fallen branch	
Phlebiella fibrillosa		indet.decid. rotten fallen wood	
Phleogena faginea	Fenugreek Stalkball	Acer pseudoplatanus, decort, weathered, fallen trunk	Herb: ARS
Physisporinus vitreus		Populus, decayed fallen branch	
Postia tephroleuca	Greyling Bracket	indet.decid. large weathered log	
Resinicium bicolor	Hallowed Crust	Pinus, decort, weathered log	
Rhodocollybia butyracea	Butter Cap	litter, soil	
Scopuloides rimosa		Betula, rotten, decort log	
Sebacina cf. epigaea		indet.decid. rotten log	Herb: ARS

Sidera vulgaris	indet.decid. decort, rotten log	
Sistotrema brinkmannii	Populus, decayed fallen branch	
Slooffia micra	Myxarium podlachicum, intrahymenial mycoparasite	Herb: ARS
Subulicystidium longisporum	indet.decid. rotten fallen wood	
Tomentella badia	Fraxinus, rotten fallen branch	
Tomentella subclavigera	Betula, decort, decayed, fallen trunk	Herb: ARS
Tulasnella danica	Populus, decort, decayed fallen branch	Herb: ARS
Tulasnella eichleriana	Pinus, rotten log fragment	
Tulasnella violea	indet.decid. rotten, decort log
